

**Walking family and
friend carers
through one of life's
most challenging
and confusing
journeys**

**After your loved one's
diagnosis, you may
ask yourself**

- What do I do? Where do I start?
- What is dementia? How do I treat it?
- Where do we go for help?
- What subsidies are we entitled to?
- What do I do when my loved one is refusing to eat?

**Personalised and practical
dementia support at
your fingertips**

We will provide you with:

- curated support information from experts
- practical tips from other carers similar to you
- much more...

So, you are less lost, confused or overwhelmed
