

Dementia care is complex and overwhelming for all! With **increasing prevalence** and **compliance scrutiny**, **how are you prepared?**

My Dementia Companion PRO

Best practice care at your fingertips

The **PRO** is the world's first practical dementia tool to help your team to **respond to needs, risks & complaints on the go** (incl. changed behaviours), develop **plans** & **track progress** to meet **care** & **compliance** needs.

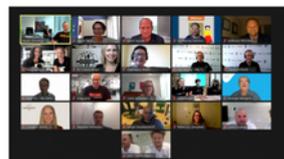

We can help!

- Enhance **GOVERNANCE & COMPLIANCE** against Quality Standards
- Improve **QUALITY** of care **ON THE GO** and as part of your **WORKFLOW**
- Rapid **ROI & save HOURS** of inefficiencies
- Skill-up and reduce staff **STRESS** at point of care

Contact us

Give your staff the tool they need to be compliant, optimise their role, and deliver quality care. [Contact us](#) via our website for a demo.
