

My Dementia
Companion **CARER**

**Walking family and
friend carers
through one of life's
most challenging
and confusing
journeys**

After your loved one's diagnosis, you may ask yourself

- What do I do? Where do I start?
- What is dementia? How do I treat it?
- Where do we go for help?
- What subsidies are we entitled to?
- What do I do when my loved one is refusing to eat?

Personalised and practical dementia support at your fingertips

We will provide you with:

- curated support information from professionals
- practical tips from other carers similar to you
- much more.
